guidelines for giving

You have prayed about your participation in our campaign. The Lord has led you to make a sacrificial commitment to our journey. You now have some practical questions about how to implement your commitment. Here are a few thoughts that may help guide you:

Designation of Your Commitment

Use of our regular offering envelopes will be most helpful for this purpose. You may simply designate your giving to the "Building Fund." In this way, your gift will be credited to the appropriate account.

Beginning Your Commitment

Giving on your commitment can begin on Celebration Sunday, December 1, 2019, assuming that you have made a one-time gift or a weekly/monthly pledge. Otherwise, simply begin designating your gifts in accordance with the schedule indicated on your Commitment Card.

Gifts Other Than Cash

If part of your commitment consists of a gift of a non-cash asset (such as stock, property, etc.), please contact Rich Heemstra for details regarding transfer of the asset to the church.

If you have questions about the campaign or the fulfillment of your commitments, please contact:

giving toward your commitment

Giving toward our three-year campaign will begin in December 2019, and the campaign will conclude in December 2022. Your designation of gifts to the “Building Fund” will help the leaders to continually evaluate our progress in achieving the overall campaign goal.

If at any time during the campaign you have questions regarding the status of your commitment, please contact Rich Heemstra.

Thank you for your faithful support! Your gifts will constitute a permanent investment in seeing generation after generation become fully devoted followers of Jesus Christ!

q & a

If I should fall behind, will the church take steps to make me pay?

We will most certainly not take any action to collect on a voluntary financial commitment. Our purpose in this Campaign is to provide adequate facilities so that we can continue to make forward progress in accomplishing the mission of our church. We are simply asking that you pray and seek God’s guidance as to what He would have you commit to Him.

Will I have the opportunity to revise my commitment?

Certainly, since this is a commitment between you and the Lord, you have opportunity to revise your commitment. It would be helpful if changes could be communicated in a written manner so church leadership can revise their projections.
