# PRAYER SUNDAY NEWSLETTER

FIRST CHURCH | OCTOBER 27, 2019

## prayer sunday

“Unless the LORD builds the house, they labor in vain who build.” (Psalm 127:1)

One of the most important components of our Relentless campaign is that we not only seek God’s help in making the campaign successful, but that we also ask God to partner with us as we build. That is why the psalmist in the verse above reminded the Israelites that if God is not with them in the building of their cities, they would be laboring in vain.

For First Church to continue to bring glory to God through our many outreach efforts, we need you. We need the participation of everyone. One big way we need your help is through your prayers. We want to humbly ask you to begin serious regular prayer for our church and specifically for our efforts in Hebron.

## some areas to focus prayer on:

### That God would...

1. Use ordinary people like us to advance the gospel into Hebron
2. Allow us favor in the community and in people's hearts
3. Give us connections in municipalities and with officials
4. Allow us to see thousands of people far from God be filled with life in Christ
5. Dramatically change the culture of Hebron to be a Christ-centered, God-fearing, Kingdom-oriented, Kingdom-building, Gospel-centered culture

*(Continued on page 2)*

6. Bring socio-economic prosperity to the city of Hebron through His gospel efforts at our church
7. Allow the church to financially support itself quickly
8. Make deep inroads to Valparaiso and Crown Point through this location
9. Partnerships with other churches to advance the Gospel
10. Provide First Church and its people with a reputation that is untarnished and respected because of Jesus

Thank you so much in advance for your support, prayers, and participation. We couldn't do this without you!

## q & a

***Is there a certain amount of money that I will be expected to commit?***

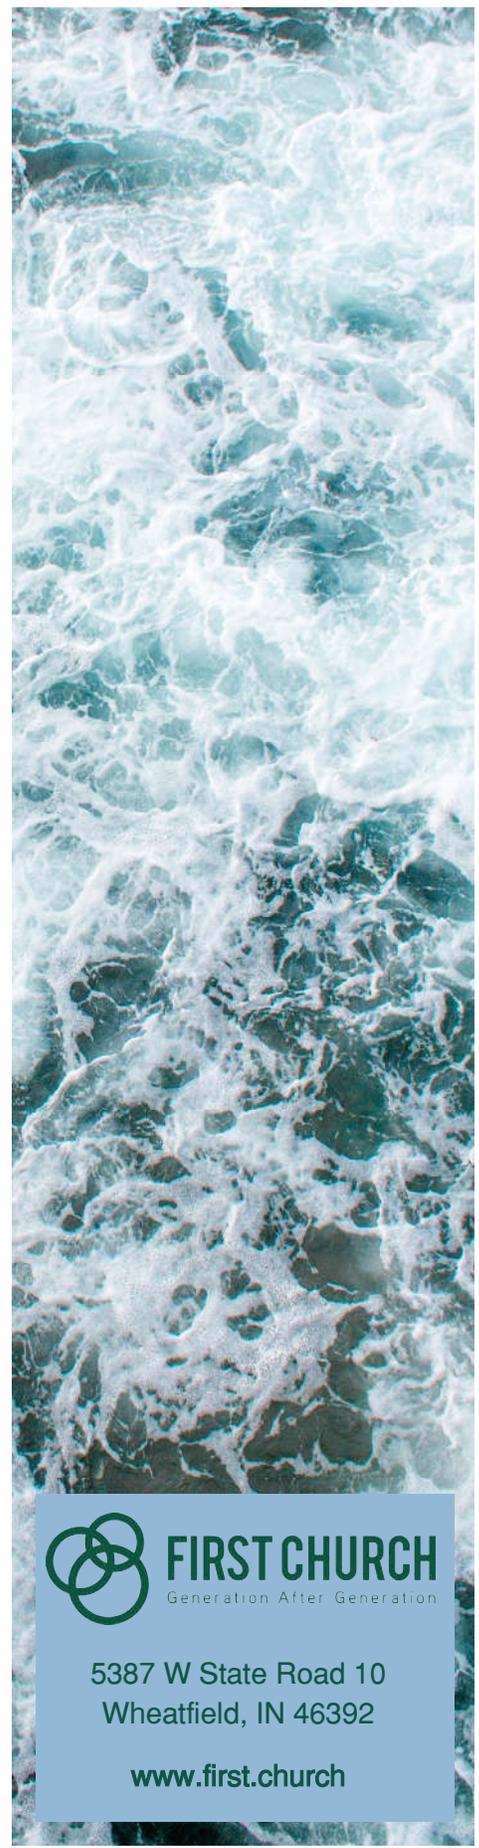

No. After asking God for guidance in the decision, each person will decide his/her particular commitment. The goal is not equal gifts but equal sacrifice.

***When and where will the commitments be made?***

Most commitments will be turned in on Commitment Sunday, November 24, at the Relentless Information Table in the lobby. Leading contributors, however, will turn in their commitments on or before November 10.
