DISCUSSION Q'S

1. **Icebreaker::** *What's your favorite fall comfort food or dessert? Is there a family recipe you enjoy during this season? **OR** Do you have a favorite fall-themed movie or book that you like to revisit each year?*
2. Can you relate to longing for the past and looking back? Share a time when you found yourself dwelling on the past rather than focusing on the present or the future.
3. Why do you think Lot's wife looked back despite being given clear instructions not to? What emotions or attachments might have influenced her decision?
4. In what ways can our past experiences, successes, or failures keep us from fully moving forward in our relationship with God?
5. What is God calling you to do next and what causes you to look back?
6. Do you have individuals who play an accountability role in your life? How receptive are you to their corrections or guidance?
7. **Challenge:** If you have someone who plays an accountability role in your life, schedule a monthly meeting to ask the accountability questions provided at Sisterhood. If you don't have an accountability partner yet, reach out to someone who's been on their faith journey longer and see if they'd be willing to go over these questions with you.
